ROSS-SHIRE ENGINEERING

## QUALITY HEALTH SAFETY AND ENVIRONMENT OBJECTIVES

The management of Ross-shire Engineering Ltd is committed to the attainment of our QHSE objectives. These objectives are.

- ◆ **Digitise QHSE management system**
- ◆ **Mechanical Safety procedures to be finalised and rolled out**
- ◆ **Develop methodology and calculate Scope 3 carbon emissions**
- ◆ **Implement HVO use across fleet**
- ◆ **Improve Non-conformance data collection by increasing internal audits and identifying areas for improvement**

These objectives will be monitored and reviewed annually and revised or updated as necessary.
